

Teleworking

Are you teleworking?

Relay Conference Captioning (RCC) makes it possible for you to stay connected to your interactive group meetings and discussions.

Actively participate through real-time captioning.

What is Relay Conference Captioning (RCC)?

RCC is a free service available for New Hampshire residents who are deaf, hard of hearing or have a speech disability to actively participate in multi-party teleconference calls or web conferences by reading live captions through a web browser on an internet-connected computer or mobile device.

It's the ideal captioning solution for anyone who is teleworking!
